

Personal Data Protection Act (PDPA) YOUR RIGHTS AS A CUSTOMER

GIVE ME ACCESS

If you want to know what information the service provider has on you or if the information is correct, ask. They have to share.

1

TELL ME WHY

The company has to provide you with valid reasons for why they are storing your details.

2

PLEASE STOP

Withdraw your consent for processing if the company uses your personal data for different purposes than what was initially intended.

3

I SAID "NO"

Ask the service provider to stop making marketing calls or sending emails/texts if you've had enough of those.
